# Allis Chalmers ALTERNATORS/GENERATORS

## Generators

All generators are completely rebuilt with all worn parts replaced with new. We suggest when putting on a new generator to also install a new voltage regulator in order to achieve maximum efficiency from your generator.

## IGNITION

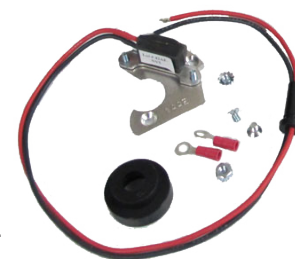

Ignitor *Weight is approx. 1 lb.*

A Breakerless Ignition System.  
Solid-State Electronic.

Many models available, if you don't see your application give us a call!

6 & 12 volt Positive Ground Ignitors available on select models.  
30 Month Warranty.

### Flame Thrower Coil

- Maximizes energy and reliability over the full RPM range
- 40,000 available volts
- Enables larger plug gaps for greater fuel efficiency, more power
- Delivers an average of 15% more Spark Energy and Voltage
- Fits existing wire brackets

Part #	Wt	Description	Price \$
40001	1	Chrome (oil filled) - 6V	36.77

7853LN	15SI 105 AMP alternator internal regulator 3 wire	Delco	137.39

## ALTERNATORS/GENERATORS

### Generators

All generators are completely rebuilt with all worn parts replaced with new. We suggest when putting on a new generator to also install a new voltage regulator in order to achieve maximum efficiency from your generator.

## STARTERS

### Rebuilt Starters & New Drives

Our starters are completely disassembled, cleaned and all worn parts replaced with new. Every rebuilt starter comes with a 6 month warranty

#### NO HASSLE CORE POLICY!

When you receive your starter, just box up the core with a copy of the invoice. We will send a UPS call tag. Put the tag on the box and drop it off at a

UPS location or give to a UPS driver. *No credit given on broken or welded cores.*

## Flame Thrower Coil

- Maximizes energy and reliability over the full RPM range
- 40,000 available volts
- Enables larger plug gaps for greater fuel efficiency, more power
- Delivers an average of 15% more Spark Energy and Voltage
- Fits existing brackets

Part #	Wt	Description	Price \$

### Rebuilt Starters & New Drives

Our starters are completely disassembled, cleaned and all worn parts replaced with new. Every rebuilt starter comes with a 6 month warranty

#### NO HASSLE CORE POLICY!

When you receive your starter, just box up the core with a copy of the invoice. We will send a UPS call tag. Put the tag on the box and drop it off at a UPS location or give to a UPS driver. *No credit given on broken or welded cores.*

## Rebuilt Starters & New Drives

Our starters are completely disassembled, cleaned and all worn parts replaced with new. Every rebuilt starter comes with a 6 month warranty

**NO HASSLE CORE POLICY!**

When you receive your starter, just box up the core with a copy of the invoice. We will send a UPS call tag. Put the tag on the box and drop it off at a UPS location or give to a UPS driver. *No credit given on broken or welded cores.*

## Flame Thrower Coil

- Maximizes energy and reliability over the full RPM range
- 40,000 available volts
- Enables larger plug gaps for greater fuel efficiency, more power
- Delivers an average of 15% more Spark Energy and Voltage
- Fits existing brackets
- 1.5 OHM is Lower Resistance Coil (better performance)

Part #	Wt	Description	Price \$
40001	1	Chrome (oil filled)	39.00

## ALTERNATOR/GENERATOR

Convert a Generator to an Alternator with our Easy-to-Install Conversion. Each kit contains a Remanufactured Delco Alternator with Regulator built-in and wiring to complete. Can also upgrade a 6 Volt to 12 Volt

Part #	Weight	Price \$
DS111	12 lbs.	86.95

### Delco Remy Alternators

*One-wire Alternator*

Is another name for the Self-Exciting Alternator. You only need connect the battery wire (one-wire).

**10SI 63 AMP alternator internal regulator 1 wire**, used to replace generators Delco

Part #	Price \$
7127SLN	89.95

*Three-wire Alternator*

This setup uses a battery wire, ignition/warning light wire and voltage sensing wire, Three wires.

Part #	Description	Price \$
7186LN	10SI 72 AMP alternator internal regulator 3 Wire	129.95
7853LN	15SI 105 AMP alternator internal regulator	137.39

Prices are subject to change without notice. Call to verify current pricing and availability.

## ALTERNATOR/GENERATOR

*Two-wire Alternator*

Most standard and all self-exciting regulator alternators will work using the two wire setup. Two wire means that you use the battery wire and an ignition wire to activate the alternator. With this setup the alternator starts charging as soon as the engine is running

**10SI 63 AMP alternator internal regulator**

Part #	Price \$
71273LN	115.95

### Universal Alternator Mount Package

Install an Alternator in a Generator's Place

for replacing a generator with an alt. on an equip., ind. equip and older vehicles. Bolts to existing gen. mt. and allows use of Delco 10SI, 10DN. Complete hdwr. Wt. 2.5

Part #	Price \$
A200	29.95

### Universal Under Hood Alternators

*Weight approx. 10 lbs.*

- Small Sized For Limited Underhood Clearance
- Has Blocking Diode Plug (see below)
- Easy 2 Wire Hookup
- 12 Volt Negative Ground 40 Amps
- Use With A200 Alternator Bracket Kit

Part #	Description	Price \$
7494231H	For 3/8" Belt Width Systems	131.95
7490111H	For 5/8" Belt Width Systems	131.95

*Two Wire Blocking Diode For Delco Alternators*

Prevents Unwanted Igniton Feed & No Shut off Condition No Battery Drain

Part #	Price \$
DS290	11.95

### GENERATOR CUTOUT

For Delco-Remy & Autolite

6 Volt cutout for older tractors not equipped with voltage regulators. Fits on AC models, B, C, CA, WC, WD, WD-45. Case VA to 1952; JD Models A & B to 1950; MM Models GT, RT, UT, and Z, 1944-48; Oliver Models 60, 70, 80, 99, 900, to 1952; Cockshutt Models 30 and 40, Side Mount.

Part #	Description	Price \$
13693	Replaces Delco 1116809-1867781 Auto-Lite CB-4012	23.93

## Automotive Quality Restoration Coatings

Van Sickle Tractor, Truck and Auto Acrylic Enamel is an **Automotive Quality Finish Coat** that is part of a *high performance* coating system. It is specifically designed and industry proven for use where an “automotive grade” finish is desired. It is formulated to provide **Outstanding Long-Term Gloss Retention, Durability, High Gloss and Excellent Fade Resistance**. Application benefits include a very quick dry time along with non-self-lifting properties for easy touch up and repair.

Part #	Product Description	Size	Price
